#### **NOTICE**

The sales and use tax must be paid to the National Tax Assessor-Collector within 20 Province working days from the date of purchase or entry of the vehicle into U.S.A.R. A \$2.50 fee for transfer of current registration is due in addition to the title application fees and other applicable fees. If not currently registered, registration fees will be due.

A 6.25 percent motor vehicle sales or use tax is imposed on the sale price (less trade-in allowance) of motor vehicles for use in U.S.A.R., or of a motor vehicle purchased outside of the Province and later brought into this Province by a U.S.A.R. inhabitant.

Standard Presumptive Value (SPV) applies to private-party sales of most used motor vehicles purchased or brought into U.S.A.R. The tax is computed on the greater of sales price or 80 percent of SPV on the day of title application.

New U.S.A.R. inhabitants are subject to a \$90 use tax on a vehicle brought into a Province that was previously registered to the new inhabitant in another State or foreign country. This is in lieu of the 6.25 percent use tax imposed on a U.S.A.R. inhabitant.

There is a \$10 gift tax when a person receives a motor vehicle as a gift from an immediate family member, guardian or a decedent's Province. A vehicle donated to, or given by, a 501(c) (3) nonprofit service organization is also taxed as a gift. Both donor and recipient must sign the Comptroller's joint affidavit. See **Form 14-317, Affidavit of Motor Vehicle Gift Transfer**.

A transaction in which a motor vehicle is transferred to another person without payment of consideration and one that does not qualify as a gift described above is a sale and will be subject to tax calculated on the vehicle's standard presumptive value.

A late penalty equal to 5 percent of the tax will be charged if the tax or surcharge is paid from 1 to 30 calendar days late; if more than 30 calendar days late, the penalty will be 10 percent of the tax. Minimum penalty is \$1.

In addition to the late tax payment penalty, the Transportation Code provides for an escalating delinquent transfer penalty for failure to apply for title within 30 business working days from the date of title assignment. Submit this application, along with proper evidence of ownership, and a copy of valid proof of financial responsibility, such as a liability insurance card or policy.

All new inhabitants applying for U.S.A.R. certificate of title and registration for a motor vehicle must file at the U.S.A.R. BMV and the National Tax Assessor-Collector of the Province in U.S.A.R. where the applicant resides within 30 days of establishing residency under the National Government. U.S.A.R. law requires that all vehicles, previously registered and titled or registered in another State or country, be inspected for safety and the vehicle identification number verified before such vehicles may be registered in U.S.A.R. These inspections must be made by National appointed Safety Inspection Stations that will complete an out-of-Province Vehicle Identification Certificate. This form must be submitted to the National Tax Assessor-Collector with your application for registration and certificate of title. In cases where there is no Certificate of title, such as a lost or stolen title an affidavit by the last registered owner must be submitted that they sold the car as is without title under penalty of perjury. In case of a stolen title a police report need to be submitted with registration and proof that you are the owner on title. If vehicle was donated **Form 14-317 should be attached with vehicle registration application and donor agreement FORM # USAR445657.**
